

ASSISTANT PROFESSOR

MICROBIOLOGY

Lehigh University's Department of Biological Sciences <<http://www.lehigh.edu/%7Einbios>> <<http://www.lehigh.edu/%7Einbios>> invites applications for a tenure-track position at the level of Assistant Professor in any research area of Microbiology to begin in Fall 2010. The successful candidate will have strong potential to generate extramural funding and will be provided a generous start up research package. The appointee will be expected to demonstrate excellence in research, teaching, and service. The College of Arts and Sciences at Lehigh is especially interested in qualified candidates who can contribute through research, teaching, and/or service to the diversity and excellence of the academic community.

Curriculum vitae, representative publications, description of research, teaching interests, and three letters of reference should be emailed to inbios@lehigh.edu or mailed to **Robert Skibbens, Chair, Microbiology Search Committee, Department of Biological Sciences, 111 Research Drive, Lehigh University, Bethlehem, PA 18015**. Review of applications will begin September 4th, 2009.
